POSITIVE PROFIT ALERT

This announcement is made by Allied Sustainability and Environmental Consultants Group Limited (the “**Company**” and together with its subsidiaries, collectively referred to as the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinances (Cap. 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, to the best of the knowledge and belief of the Board, and based on the information currently available to the Company and the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2025, the Group expects to record a turnaround from loss to profit attributable to owners of the Company of approximately HK\$1.0 million as compared to the loss attributable to owners of the Company of approximately HK\$5.9 million for the six months ended 30 September 2024. The expected turnaround from loss to profit was mainly attributable to (i) the increase in revenue and gross profit margin, (ii) the growth in business and increase in revenue from operations in other markets outside Hong Kong, including Mainland China, Macau and Southeast Asia, and (iii) the decrease in administration expenses, resulting from implementation of more effective cost control measures.

The Group is still in the process of finalizing its unaudited consolidated interim results for the six months ended 30 September 2025. As such, the announcement is made solely on the basis of a preliminary review and assessment by the Board with reference to the information currently available for the Board, including the unaudited consolidated management accounts of the Group for the six months ended 30 September 2025, which may be subject to adjustments after further internal review by the Board and the audit committee of the company. The unaudited interim results of the Group for the six months ended 30 September 2025 may be different from the information contained in this announcement.

The actual results of the Group's financial performance will be disclosed in the interim results announcement of the Group for the six months ended 30 September 2025, which is expected to be published on 18 November 2025.
